### Building An Online Business By Keeping It Simple

*My success has come as a result of keeping every detail of my business extremely simple. At first, it was due to the fact that I could not understand anything that was too complicated; now it's because the simple way is the most profitable way.*

**My 5 Pronged Approach™ keeps it simple:**

- Blogging
- Short Reports/eBooks/Kindle
- Teleseminars/Podcasts
- Social Media/Live Events
- Affiliate Marketing

*Attending live events continues to build my business and increase my bottom line. Please join me at NAMS in August in Atlanta and you will be a part of my 'Day Before' Mastermind and training.*
