## Study Guide for February 28, 2013

### Building An Online Business By Connecting With Others

You can better achieve your goals as an online entrepreneur by connecting with others from the very beginning. You can do this through Joint Ventures (JVs), paid online forums, and by attending live events.

Use the idea of being a *student*, then an *affiliate*, and finally a *partner* to form the most powerful JVs. Whose products, courses, and services are helping you the most? Have you become an affiliate for them? Have you contacted the entrepreneur to let them know who you are and what you're doing?

Are you blogging twice a week? This is your way to share your thoughts, ideas, knowledge, and expertise with others who are interested in your topic. It won't take long for to become an authority in your niche.
