

Online Marketing Tips With Connie Ragen Green

Study Guide for March 13, 2013

Building An Online Business With Amazon

Becoming an author in 2010 is the single best business move I have ever made. You can do the exact same thing in a few simple steps:

1. Start writing and talking about your niche topic, using your blog and teleseminars to get the information out to the world and build your platform.
2. Create an outline for the book you want to write, keeping it clear and concise.
3. Publish it as a Kindle book and/or a paperback book.
