

Online Marketing Tips With Connie Ragen Green

Study Guide for March 28, 2013

Building An Online Business With Affiliate Marketing

Becoming an online entrepreneur is a worthwhile endeavor. Starting with affiliate marketing can help you to monetize your business much more quickly. This continues to be one of my most profitable income streams.

I describe affiliate marketing as 'recommending what you love'. This means that I purchase and benefit from all of the people and programs I recommend and promote to others.
