

Online Marketing Tips with Connie Ragen Green Study Guide for March, 2016

Building Your Online Business – Affiliate Marketing

This Study Guide is intended as a starting point in your quest for success as an online entrepreneur. It does not replace what you can achieve by working with a Mentor within a group of like-minded individuals.

So, how do you achieve online success as an entrepreneur?

1. Choose one or two business models that make sense for what you are working to achieve.
2. Spend twenty minutes every day reading a book that will enrich, educate, and enlighten you on your path to successful entrepreneurship.
3. Become a regular publisher of content.
4. Always ask yourself: 'Is what I am doing right now moving me closer to my goals or further away?'
5. The "10,000 Hours" concept – How quickly can you achieve excellence?

Let's discuss some concepts about affiliate marketing:

- ✚ Affiliate marketing is _____ in return for _____.
- ✚ Affiliate marketing is a _____ that makes sense for new _____.
- ✚ The most widely accepted and used platform for your affiliate marketing sites will always be _____.
- ✚ Be a _____ before you're a _____.
- ✚ With affiliate marketing you will have an almost unlimited _____, making this an ideal way to get started earning income before you have your own products and courses.

What Do You Need For Affiliate Marketing?

- ✓ WordPress Blog/Site
- ✓ Business PayPal Account
- ✓ Content Creation/Publication/Syndication Strategy

What Do You NOT Need?

- ✓ Your Own Affiliate Platform
- ✓ A List (even though you want to start building one right away)
